

2017 RANZCR/ACR EDUCATION CENTER COURSES

LIMITED PLACES STILL AVAILABLE

The Royal Australian
and New Zealand
College of Radiologists®

ACR[®]
AMERICAN COLLEGE OF
RADIOLOGY

QUALITY IS OUR IMAGE

The most intensive, rewarding training for radiologists outside of North America.

Intensive, hands-on three-day courses delivered on individual workstations that emulate the clinical environment. An active, customised learning experience is provided via the ACR Case Engine and an expansive repository of cases/data sets. Courses have case-by-case feedback provided by renowned course directors from the US.

11 – 13 AUGUST 2017
