Message from
IIPU 2020 Organising Chairman

It is my great pleasure and honor to be the congress chairman of the upcoming International Interventional Pain Update IIPU 2020. It is our privilege to invite all physician and surgeon with special interest in pain management around the world to participate in this 2-yearly event.

IIPU 2020 will be held in Kuala Lumpur on 10th and 11th April 2020. In this 2-day congress, there will be a well-designed scientific program with plenary keynotes and symposiums talk covering almost all area of painful conditions including acute, chronic and cancer pain. Scientific programme will also include oral and poster presentation. In this grand event, we have also organized pre-congress ultrasound cadaveric workshop and post-congress fluoroscopic cadaveric workshop.

IIPU 2020 is carefully designed to benefit physicians and surgeons from almost all different specialties interested in managing acute, chronic and cancer pain. IIPU 2020 scientific programme will include, acute pain, headache & facial pain, neck & spinal pain, limbs and joint pain, cancer and visceral pain and chronic pain in women; last but not the least, we also include recent advances in interventional pain and endoscopic spinal decompression procedures.

Malaysia Society of Interventional Pain Practitioners (MSIPP) will continue to provide up-to-date information and training to members. We will try our very best to provide assistance to members to excel in this field. MSIPP will continue to oversee the development and practice of interventional pain management to ensure patient outcome and safety.

I am very excited and looking forward to meeting you during this grand event and I am very sure you will enjoy and have memorable experience in this event.

Lastly, I would like to take this opportunity to thank all the speakers and facilitators spare their valuable time to share their experience and cutting-edge knowledge. And not forgetting the organizing committees and hospital staff sacrifice their leisure time to make this event a great success. Last but not the least, I would also like to thank all the industrial sponsors for providing encouraging support to these events.

Thank you.

Sincerely,

Dr Toh Charter Jeng
