

ASIASAFE

AOSR

The Asian Oceanian Society of Radiology

- 8.00 AM - USA EST
- 5.30 PM - IST
- 7.00 PM - Thailand, Vietnam, Laos, Cambodia, Indonesia
- 8.00 PM - Singapore, Taiwan, Malaysia, Philippines
- 9.00 PM - Japan, South Korea
- 9.30 PM - Australian CST

Dr. Chamaree Chuapetcharasopon
AOSR President

Emeritus Prof. Kwan Hoong Ng
Asiasafe Chair

Assoc. Prof. Nucharin Supakul
Program Director

Enhancing Optimization Strategies in Radiological Practice Webinar Series 2025: 6. Making It Happen: Team-Based Strategies for Radiological Optimization

Why attend?

- Practical steps to implement optimization in radiology
- Clear roles for radiologists, technologists, and medical physicists
- Real-world strategies to improve image quality and patient safety
- Insights into effective teamwork and communication
- Support regional efforts to raise radiological standards

Panelists

Prof. Samuel Brady
Chief Clinical Medical Physicist,
Department of Radiology,
Cincinnati Children's Hospital Medical Center

Mr. Steve Lacey
Director of Education, Australian Society of Medical Imaging and Radiation Therapy
Director of Education, ISRRT

Prof. Kosuke Matsubara
Department of Quantum Medical Technology, Kanazawa University, Japan

Dr. Danny Hing-Yan Cho
Chief of Service & Consultant Radiologist,
Dept of Diagnostic & Interventional Radiology, Kwong Wah Hospital, Hong Kong SAR

Prof. Jeong Min Lee
Department of Radiology, Seoul National University, South Korea
